BOSS

HUGO BOSS is a global leader in the upper-premium apparel market. With around 14,700 employees worldwide, the German group develops and sells high-quality fashion and accessories under its BOSS and HUGO brands.

The products range from classic contemporary apparel, elegant evening fashion and casualwear through to shoes, leather accessories and licensed products including fragrances, eyewear, watches, children's fashion, home textiles, writing instruments and umbrellas.

The recent repositioning of the brands has been accompanied by numerous events and campaigns, such as the sponsoring of premium sports, conveying brand values such as success, precision, innovation and sustainability. Sponsorship of cultural events is a further key area of the HUGO BOSS Group's brand communications, aiming to create common ground between art and fashion with respect to design, aesthetics and creativity. This collection of BOSS umbrellas aims to launch the category as a true fashion accessory and complement to the ready-to-wear lines, with an extensive range created to satisfy this niche segment.

Approaching this segment with a fashion house point of view, the BOSS line of umbrellas offers perfectly crafted and performant products, while focusing on innovative designs.
