FOLL

A real treat for ecology lovers:
a bamboo casing decorated with
a leaf made of biodegradable
material manufactured from 50%
natural straw. If the idea of reducing
plastic waste is close to your heart,
you will love this pen.

19649 

Ball pen FOLL

against bacteria settling.*

COLOUR

Plastic pens are an effective and inexpensive way to advertise a brand or institution. The surface of the plastic allows for a very precise multi-colour printing and makes the logo or inscription look exceptionally attractive. This useful gadget can be found in our collection in many varieties and in a wide range of colours. Transparent, matt, with logo on the clip or body - there's plenty to choose from.
