

NINA RICCI

Maison Nina Ricci

Née à Turin en 1883, Maria Nielli devient Nina Ricci à Paris, apposant son surnom au patronyme de son époux. Sa Maison de Haute Couture est fondée en 1932, au 20 rue de Capucines à Paris, avec ateliers et salon d'essayages. La façon, la coupe, l'équilibre et les matières donnent l'éclat de la simplicité à la femme Nina Ricci. Son fils Robert Ricci crée le département Parfums en 1941. Cœur-Joie paraît en 1946. Son flacon initie l'étroite association du cristallier Lalique à l'œuvre du parfumeur qui lance l'Air du Temps en 1948. Sa couronne de colombes en cristal sera un symbole d'amour et de liberté. C'est le parfum emblématique de la Maison. En 1954, Jules-François Crahay, qui assistait la créatrice au studio, lui succède à la Direction Artistique. Le style s'architecture. La silhouette, relevée de courbes, s'élance. La collection « Crocus » de 1959 au célèbre tailleur éponyme connaît un succès triomphal. La Maison développe alors sa ligne « Mademoiselle Ricci », dont les modèles de semi-couture sont les prémices du prêt-à-porter de la marque. Le styliste Gérard Pipart prend la suite de Jules-François Crahay en 1964. Au fil de trois décennies, sa haute couture célébrera une femme flamboyante et son prêt-à-porter s'adressera avec succès aux femmes de son époque. La Maison acquiert le 39 avenue Montaigne en 1979. Couture et Parfums investissent les étages tandis que le rez-de-chaussée est dévolu à la nouvelle boutique Nina Ricci. C'est en 1998 que la Maison rejoint l'entreprise familiale PUIG de Barcelone. Depuis longtemps distributeur des parfums Nina Ricci en Espagne, PUIG souhaite perpétuer l'héritage de la marque, son exception. Le lancement en 2006 du nouveau parfum Nina est une évocation onirique de la féminité en éveil. Il est un écho au premier Nina qui avait été un hommage du fils à sa mère. Sa réussite commerciale le consacre à nouveau. A la suite d'Olivier Theyskens, Peter Copping accède à la Direction de la création en 2009. Son style restaure l'esprit d'une féminité empreinte de douceur et de légèreté. Guillaume Henry lui succède en 2015, sa première collection Nina Ricci sera présentée pour l'Automne/Hiver 2015.

House Nina Ricci

Born in Turin in 1883, Maria Nielli became Nina Ricci upon arrival in Paris when she combined her nickname with her husband's last name. Her Haute Couture house was founded in 1932, at 20 Rue de Capucines in Paris, complete with the design atelier and salons for fittings. Her technique, cuts, balance and materials conferred striking simplicity on the Nina Ricci woman. Her son, Robert Ricci, created the Perfume department in 1941. Cœur-Joie appeared in 1946. Its bottle initiated the house's longstanding collaboration with the crystal maker Lalique, which in 1948 created the celebrated bottle for L'Air du Temps. Crowned with crystal doves, it embodied love and liberty; the fragrance became the iconic perfume of the House. In 1954, Jules-François Crahay, Madame Ricci's design assistant, succeeded her as Artistic Director. The house's style became structured; the signature curves of its silhouette elongated. The "Crocus" collection of 1959 and the celebrated suit of the same name were a triumphant success. The House went on to develop its "Mademoiselle Ricci" line, composed of demi-couture models that foreshadowed the brand's ready-to-wear line. Designer Gérard Pipart succeeded Jules-François Crahay in 1964. Throughout the following three decades, his Haute Couture vision celebrated a flamboyant woman and his ready-to-wear found a loyal following among the most stylish women of the day. The House acquired its current address at 39 Avenue Montaigne in 1979. Couture and Perfumes came together under one roof, while the ground floor was dedicated to the brand new Nina Ricci boutique. In 1998, the House became a part of the Barcelona-based, family-owned company PUIG. The longtime distributor of Nina Ricci perfumes in Spain, PUIG wished to perpetuate the house's heritage. The launch in 2006 of the new perfume Nina is a dream-like evocation of awakening femininity. It is an echo of the first Nina fragrance, Robert Ricci's tribute to his mother. This new perfume's success reaffirmed the Ricci spirit. Following Olivier Theyskens, Peter Copping was named Creative Director of the House in 2009. His style reinstated a soft, light spirit of femininity. Guillaume Henry succeeded him in 2015. The Fall/Winter 2015-2016 collection would be his first for Nina Ricci.

NINA RICCI ECHAPPEE

Des chaînes dorées empruntées à la collection de Prêt à Porter habillent les matières tout en fluidité et en féminité.
