

NINA RICCI

LA MAISON NINA RICCI

THE NINA RICCI HOUSE

1932. Nina Ricci inaugure sa maison de couture parisienne célèbre pour son style raffiné empreint de luxueuse légèreté, lequel deviendra une signature reconnue de l'élégance, le passeport de la féminité.

Richesse des matières, fluidité de la ligne et de la coupe, Nina Ricci s'inscrit dans les courants de la mode contemporaine, mais pour mieux en tirer la quintessence. Son désir essentiel est de faire ressortir la personnalité intime de chaque femme, en lui apportant une garde-robe classique qui privilégie le naturel au lieu de l'ostentatoire.

Les produits masculins ont toujours été présents dans l'univers Ricci, notamment avec la boutique Ricci Club, rue François 1^{er} et le succès en 1989 du parfum « Ricci Club ».

Née à Turin en 1883, puis installée à Monaco avec sa famille, Nina Ricci monte à Paris où elle passera vingt ans à peaufiner son métier de couturière et devenir une technicienne hors pair. Fort de ce savoir-faire à la française, elle poursuivra sa ligne de conduite : embellir la femme, la parer d'un éclat juvénile, d'une touche savamment harmonieuse, subtile et gracieuse, telle une fleur épanouie.

In 1932, Nina Ricci established her Parisian couture house. A hallmark of elegance, it would become famous for representing femininity via a sophisticated luxuriousness yet intentionally relaxed style.

By combining sumptuous materials with soft draping, tailoring and her ability to capture the essence, Nina Ricci became synonymous with contemporary fashion. Her main goal was to channel the personality of every woman; proposing a classic wardrobe that favoured naturalness over ostentation.

Masculine Products have always been part of the Ricci universe, notably with the Ricci Club boutique, on François 1^{er} Street and the 1989 success of the "Ricci Club" perfume.

Born in Turin 1883, Nina Ricci moved to Monaco with her family. She then settled in Paris, where she spent 20 years refining her art as a couturier and developing her unsurpassed technical expertise. Steeped in Parisian savoir-faire, she pursued her mission to make women look beautiful with a youthful sparkle. When wearing her designs, they appeared subtly fresh and graciously composed; not unlike a flower in bloom.
