ungaro

L'histoire de la maison Emanuel Ungaro ne peut être contée sans commencer par son créateur Emanuel Ungaro, dont l'empreinte créative constitue un élément fort et distinct.

Né d'un père Italien, tailleur émigré à Aix en Provence au début des années 30, Emanuel Ungaro dès sa plus tendre enfance découvre le plaisir de jouer avec la machine à coudre instrument de travail de toute la famille.

Fort d'une créativité exceptionnelle, Emanuel Ungaro monte à Paris à 22 ans et entame son apprentissage aux côtés du couturier espagnol Cristobal Balenciaga.

Cette période lui apprend la rigueur, la perfection et l'éternelle recherche d'un idéal dans le silence requis par le Maître, exigeant et généreux.

En 1967, il se décide à installer ses Ateliers avenue Montaigne, dans un superbe immeuble haussmannien. La boutique et le siège de la société y sont toujours aujourd'hui.

Emanuel Ungaro acquiert une renommée internationale par des accords de couleurs et de motifs inattendus, par la pureté des silhouettes et l'insolence des détails.

Aujourd'hui, la marque Emanuel Ungaro a changé de propriétaire.

Elle est présente sur tous les marchés internationaux : tout d'abord l'Europe, berceau de la marque mais aussi les Etats-Unis, ensuite le Japon conquis par le style de la griffe.

Les accessoires, indispensables instruments de la marque se sont également développés.

Ceux-ci privilégient les lignes et les détails les plus raffinés et se déclinent en modèles destinés à des hommes actifs et modernes mais attachés à la tradition du luxe .

Nobody may tell the story of the Fashion House Emanuel Ungaro without starting from his founder Emanuel Ungaro.

From the age of 5, Emanuel played with the sewing machine, the whole family's work tool.

This provincial life provided him later with the key to his future trade and introduced him to a lifestyle embracing painting and music that has followed him throughout his life.

Bolstered by his exceptional creative talent, Emanuel moved to Paris at the age of 22 and started his apprenticeship alongside the Spanish designer, Cristobal Balenciaga.

This period taught him rigor, perfection and the eternal search for an ideal in the silence required by the demanding yet generous Master.

In 1967, he decides to move his Ateliers to Avenue Montaigne. The head offices and flagship store still occupy the same Haussmanian building.

Emanuel Ungaro acquired an international fame by his incredible sense of colour and mix of unexpected patterns, by the purity of his shapes and the insolence of the details.

Today the house Emanuel Ungaro has a new owner. It is now present on all international markets : first of all Europe, cradle of the brand but also United States , then Japan conquered by the brand's style.

Then came the accessories, essential instruments to the brand development. This collection privileges shapes and refined details, developed into models intended for active and modern men, whilst attached to the tradition of Ungaro luxury.
